

The Bar

As you walk into the Bar at The Bear you are greeted by exposed timbers, candles, a beautiful wood burner situated under the fireplace and comfortable seating arrangements. The bar is the perfect area to pop in for a lunchtime bar snack , have an aperitif before dining or just to sit down and unwind after a long day. Don't forget we also open the bar for Coffee from 9.00 - 11.00am each morning: the perfect way to start your day.
